

Bureau Veritas UK Holdings Ltd and Subsidiary Companies

Quality, Health & Safety, Travel Security and Environmental (QHSSE)

Policy Statement

Since Bureau Veritas has come into existence in 1828, our name has been synonymous with integrity—even more crucial in an industry built on trust. Today, we continue to place a premium on creating strong confidence between companies, consumers, and public authorities. While doing so, we are committed to maintain a safe and healthy working environment for everyone delivering these services on our behalf. We are also committed to reduce the impact of our activities on the environment.

Our values – which are based on trust, responsibility, ambition, humility, and inclusivity form the foundations of our day-to-day activities. Guided by these values and our three absolutes of safety, ethics and financial control, we are committed to:

PROCESS

- Identify, assess, and address hazards and risks to impartiality, the effective delivery of our services; to the safety and health of our people and impacts to our environment.
- Setting appropriate QHSSE objectives and targets which take into consideration these hazards and risks as well as any opportunities for improvement.
- Provide adequate financial and physical resources needed for the QHSSE management system.
- Provide safe and healthy working conditions to all our employees for the prevention of work-related injuries and ill-health.

PEOPLE

- Consult and make employees at all levels participate in the development and continual improvement of the QHSSE management system.
- Ensure that our people are suitably trained, supervised and competent with access to relevant information to carry out their work in a safe manner.
- Enable our people to stop work where they believe there is a risk to their health, safety, or wellbeing.

SYSTEM

- Ensure that all our management system certification activities are carried out impartially.
- Ensure that all activities are conducted in a manner that protects the environment, prevents pollution, minimizes energies consumptions and waste generation, protecting biodiversity and achieving Bureau Veritas Group environmental objectives.
- Ensure compliance with the applicable legal and regulatory requirements as well as the requirements of ISO9001, ISO45001, ISO14001, ISO27001 and ISO17000 series.
- Effectively monitor and evaluate the performance of our QHSSE management system and ensure its adequacy with Bureau Veritas ambitions and customer satisfaction levels.
- Seek and review feedback from our clients and our people so that we can continually improve our systems and processes.
- Continually improvement of Quality, Environmental and Occupation H&S Management system.

Bureau Veritas Group policies and our local policies and procedures describe the methods and means by which this policy is deployed. This statement is periodically reviewed for continuing suitability and identification of further improvement actions.

On behalf of Bureau Veritas UK Holdings Ltd and subsidiary companies, I undertake to implement the QHSSE policy expressed in these documents, and I request all employees to commit to this policy.

On behalf of the Senior Management Team
Antoine Giros | Country Chief Executive
Bureau Veritas UK Ltd
